

## MICHIGAN BASSBUSTERS APRIL 2010 NEWS LETTER

This months meeting will be at the commissioner's office beginning at 7:30 p.m.

Don't have a fishing license yet? Make sure you have one soon...

We are signing up for our first tournament which is the Golden Rule on Union Lake. You can bring a sign up sheet with you or print one off the web site. Cost to fish: \$25

Bill will be going over some of the rule changes that will take effect this year. In the past we read the entire rule book. This year reading of the rules will be bypassed and the rules that were amended or that are new will be read. Hard copies of the rules can be requested.

Rosters will be available from Darren. Just send him an email requesting a new roster. I know that one was sent out a month ago and that was new however, it's no trouble to send one to your email address.

MA BASS: Check with Jay to make sure that you are paid up to Ma Bass. This is important and must be taken care in case your membership has expired.

Bring in any of your plastic to Jeff Throop. He would like to give some things to the kids in the club especially those who are less fortunate to have much in the way of tackle.

Want to sell things? Like rods and reels? Stuff like that? Send your stuff to Darren via email. I will post it on the web site in an area designated for such things. Make sure you send me a description and what you are selling it for...

AHHH....fishing season is upon us. Getting out with your fellow club members, friends and...**gulp!**even your wife...so...enjoy this one:

*"My first 15 wives claimed I loved fishing more than them. Isn't that silly? By the way, happy anniversary."*
