

Michigan Bassbusters July 2010 Newsletter

Our next meeting will be at the Commissioners office on Thursday July 8, 2010 at 7:30 p.m.

What's on the agenda?

1. We will be signing up for the following three tournaments:

- Stony Creek (Draw) ; St.Clair #1 (Pick) and Woodland Lake (Draw)

The reason we are signing up for three tournaments is due to the August meeting being close to the Woodland tournament. The tournament and executive committee understand that the cost of signing up for three tournaments may be a burden to some of the members of the club. If you cannot afford to pay for the third tournament please see Jay Berwick and let him know that you will be fishing but paying the week before the Woodland Lake tournament. Jay will work everything out with the tournament committee.

2. Tournament results from the Sanford Lake Tournament and the Whitmore Lake tournament will be discussed. Dave Fogleman will talk about the results and any other thoughts about the past several tournaments.

3. Youth Club: Jeff Throop will talk about the tournaments along with Scott Tyrell.

4. Planning on fishing St.Clair this year? Make sure you let your partner know if you don't have a Canadian fishing license. This may be a good time to check into that before the date of the tournament is upon us.

5. General housekeeping items of importance: Bill Head

Liar Liar:

A young man and an old man were fishing on a pier. The young man started telling the old one that the night before he caught a trout that was over 3 1/2 foot long. The old man replied "Oh yea, well I was here 2 nights ago and I hooked something huge. After a 30 minute fight I finally got it up and it was an old lantern and the thing was still lit. "The young man said "You're lying. I can't believe that." Then the old man said "I'll tell you what, you knock a couple of foot off your trout and I'll blow out my lantern."
