

Michigan Bassbusters June 2010 Newsletter

We will be having a general meeting on June 10th at the commissioner's office. Please, make an attempt to attend as there are a few items of business that we are going over. The meeting begins at 7:30 p.m.

FISHING REPORT

Dave Fogleman will be going over the results from the following tournaments: Union Lake Golden Rule and Cass Lake. Also, a non-tournament, the "jerk bait" outing that was held on Lake St.Clair. He will also be giving us updates on upcoming tournaments.

We will be signing up for the following: Sanford Lake (pick tournament) on June 27th and the Kent Lake (team tournament) for July 11th.

Jeff Throop will be going over the youth tournament results for Whitmore Lake and discussing upcoming tournaments for the kids.

If you have any old fishing lures and plastics please bring them in so we can give them to Jeff Throop. Some of the kids don't have much and can use some lures to fish with. Thanks !!

Bill will be going over a few items and just some housekeeping items for the meeting. It should not be an overly long meeting as long as we keep to the agenda.

Enjoy a couple of quotes I found interesting:

It has always been my private conviction that any man who pits his intelligence against a fish and loses has it coming. ~John Steinbeck

An angler is a man who spends rainy days sitting around on the muddy banks of rivers doing nothing because his wife won't let him do it at home. ~Author Unknown

Fishing tournaments seem a little like playing tennis with living balls... ~Jim Harrison, *Just Before Dark*, 1991

Three-fourths of the Earth's surface is water, and one-fourth is land. It is quite clear that the good Lord intended us to spend triple the amount of time fishing as taking care of the lawn. ~Chuck Clark
